

Dear Anglers,

IF YOU WANT TO CATCH A PERMIT ON THE FLY this summer, come to the best place on the planet to make that happen!

One-week fishing package June 15th - October 31, 2010

All-inclusive with transportation from Cancun

Just \$2,468 pp, double occupancy

Call Doris or Brian TODAY !

Thank you very much for an absolutely amazing day on the water.

The fishing was excellent thanks to our very competent guide.

I understand that fishing potential is even better other times of the year, which is what I will present to our flyfishing club and hopefully book a trip with some of my friends for next March or April.

Also thanks again for the umbrella and find enclosed some pictures for your gallery.
